Dear Friend,

The Lamm Library has blossomed into the busy, friendly haven so many have worked hard to build. More and more people are visiting our library, and not just for books.

Our author talks, musical events, panel discussions and interesting lectures are wonderfully well-attended.

If you haven't been here for a while, come in and have a look at what's going on. We are here for you, with longer hours and a beautiful new room.

This is your library. Your generosity is what makes it all possible. When you give we grow.

We would like to thank our generous sponsors.
